Dust off that white polyester suit - **Barry Gibb** brings his "Mythology: The Tour Live" to the United Center May 27! With a career that spans more than five decades, **Barry Gibb** stands as one of the most prolific singer/songwriter/producers in music history. As the co-founder and creative leader of **The Bee Gees**, **Barry Gibb** (along with his brothers Maurice and Robin) represents one of the most successful vocal groups in rock and roll history, having sold more than 200 million albums worldwide. They are the only group in history to have written, produced and recorded six straight number one hits and have garnered 16 Grammy award nominations and nine Grammy wins.
